

EGC STRENGTHENS LEADERS THROUGH...

MINISTRY DEVELOPMENT

CHURCH SYSTEMS

URBAN ISSUES

“EGC is the hub where churches can connect with resources and leaders can be equipped - and now we are collaborating in the same space!”

Rev. Victor Price, pastor of Second Church in Dorchester, EGC’s new host and ministry partner, who shares our passion for strengthening Christian leaders and for churches to be involved in their communities.

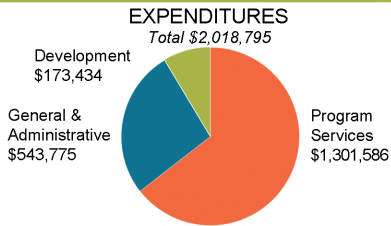

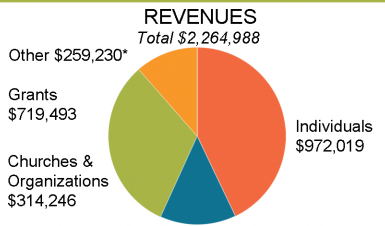

STARLIGHT MINISTRIES

With EGC’s move to Dorchester, Starlight Ministries transitioned its drop-in center to Congregation Lion of Judah. Starlight will support this ministry as it develops in the coming year. EGC is excited about this transition, and that this important work will continue in the South End.

BOSTON EDUCATION COLLABORATIVE

The BEC, in cooperation with Vibrant Boston and Cross-town Church, created a youth participatory action research project to empower young people from Lenox/Camden to interview senior citizens to learn about and help address local issues. The youth presented their findings to area churches and non-profits.
