CHURCH SYSTEMS

URBAN ISSUES

EGC's insights are helping me and Life Church's leadership understand the internal and external forces affecting our ministry. EGC has left an indelible mark on my life and on Life Church.

- Rev. Rocklyn Clarke, Senior Pastor, Life Church, Boston

CHURCH SYSTEMS HIGHLIGHT

INTERCULTURAL MINISTRIES (IM)

The Greater Boston Refugee Ministry (GBRM), a project of IM, trained 85 leaders from 35 churches in learning the realities refugees face and ways churches can engage. GBRM's initial work with refugee families initiated reciprocal learning and foundational interactions between the families and their case workers.

URBAN ISSUES HIGHLIGHT

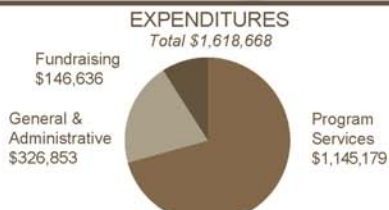

BOSTON EDUCATION COLLABORATIVE (BEC)

Boston Public Schools (BPS) seeks strong community partnerships in every school. The BEC actively responds to this call, connecting and supporting 30 urban and suburban churches so far with BPS schools, contributing to improved student attendance, better attitude toward school, and higher academic performance.
